Cape Town

The Old Karoo Pioneering Trail

1 October 2007 to 30 September 2008

For many visitors to South Africa, there is no finer way to see the country than on the popular 48-hour weekly journeys between Pretoria and Cape Town.

Cape Town offers a blend of cosmopolitan city life, magnificent mountains and superlative wine lands, while the twin cities of Pretoria and Johannesburg form the economic heartland of South Africa and the ideal departure point for Mpumulanga's world-famous Game Reserves.

This 1600-kilometre journey is a perfect illustration of South Africa as a world in one country. Travel the windswept grasslands of the gold rich Highveld to the haunting barrenness of the Great Karoo, the spectacular mountain ranges and scenic wine lands of the Cape to the Mother City of South Africa, Cape Town, cradled by the imposing bulk of Table Mountain, Devils' Peak and Lions Head.

Highlights of the north and southbound routes include a visit to the historic village of Matjiesfontein. This authentic, perfectly preserved Victorian Village, which was founded by Mr. Logan as a refreshment stop in 1890, also boasts an impressive museum on the Station platform. A stop is also made in Kimberley with an opportunity to enjoy a city tour, the Mine Museum and visit the world's largest man-made excavation, the 'Big Hole'.
