**SCHEDULING TIMES, ROUTES AND EXCURSIONS:** We cannot be held liable for any delays due to trains not running to schedule. Off-train excursions cannot be guaranteed and will only be undertaken if time and circumstances permit. Departure and arrival times are approximate and cannot be guaranteed. We reserve the right to alter our routing at any time between departure and arrival points. We caution against same-day air travel on departure or arrival days due to possible delays with flights or the train.

**PASSPORTS AND VISAS:** The onus is upon the client to ensure that passports and visas, as may be required, are valid prior to departure for Africa. On the various journeys we travel through South Africa, Swaziland, Namibia, Zimbabwe, Botswana, Zambia and Tanzania. Some nationalities are eligible to purchase port-of-entry visas. Immigration forms will be available on board. Please ensure you have a minimum of US\$200 in cash with you. **Please enquire with us or check with the relevant embassies in good time regarding applications.** Visas are also available through booking agents. Passports must have at least **three blank VISA pages (five for Dar es Salaam Journey)** and must be valid for at least **six months** from your return-home date.

### HEALTH:

- Please ensure you have filled out the **Reservation Form** to indicate if you have any medical conditions, physical disabilities or allergies. There is a basic First Aid Kit on board. We have a doctor on board on the Dar es Salaam trip.
- Anti-malarial precautions are recommended. Malaria areas: Swaziland, Kruger Park, Northern Botswana, Zimbabwe, Zambia, Etosha, Tanzania. Recommended immunisations (*not required*): Hepatitis A, Polio, Tetanus, Cholera (low risk).
- A **Yellow Fever/Medical Exemption Certificate** is **essential** if travelling to/from **Tanzania**. Although all countries travelled through don't require this, countries guests return to **after** the trip often require them.
- Please consult your clinic or doctor. TRAVEL DOCTOR AFRICA *local* 0861 300 911 or *international* +27 11 214 9030.

### CURRENCY:

- South Africa – Rands only. We accept all major credit cards on the train.
- Outside of South Africa – Any off-train expenses or additional excursions booked while on the train are to be paid with US Dollars. Hotels and major dealers accept credit cards.
- US Dollars printed before year 2006 won't be accepted. Low denominations recommended for shopping/gratuities. Larger denominations recommended for exchanging money to local currency (especially in Tanzania) as you get a better rate. The Gift Shop on board might exchange money if currency is available, but it is not normally catered for.

**GRATUITIES:** Gratuities for the staff are at your discretion. If you wish to show your appreciation in this manner, there is a suitably marked envelope in your suite that you can hand directly to the Train Manager who will distribute any amounts on a pro-rata basis (share) among the staff on board. An amount between ZAR100-200 (± US\$10-20) per person per night is suggested, depending on the length of your journey.

**LOCOMOTION:** Use of steam has become increasingly difficult over the years as more and more water and coaling facilities have been scrapped. Diesel or electric locomotives are used while steam is used in and around the area of Rovos Rail Station only.

**THE TRACK:** The track over which we travel is inconsistently maintained. If you wake at night imagining the train is travelling at high speed, be assured it is the state of the track below creating that impression. We restrict the train to 60km/h (37mph) and over bad sections reduce speed to as little as 20km/h (12mph). If you find it noisy, earplugs are available.

**CUISINE:** Meals are served in one sitting only in the charming Victorian atmosphere of the dining cars and are complemented by a selection of fine South African wines. Breakfast: 07h00-10h00 • Lunch: 13h00 • Tea: 16h30 • Formal Dinner: 19h30. All meals are served at these times unless otherwise stated in the timetable. A gong heralds lunch and dinner.

**DIETARY REQUIREMENTS:** We will do our best to cater for dietary requirements provided a detailed request has been made on the **Reservation Form**. If a special request has not been made, the chefs will endeavour to prepare suitable meals with the ingredients available on board. We regret we are unable to prepare meals requiring strict religious observance in the preparation.

**DRESS:** For days on the train dress is **smart casual**. Evening attire is more formal – for gentlemen a jacket and tie is a minimum requirement while for ladies we suggest cocktail/evening dresses or suits. For off-train excursions we strongly recommend comfortable walking shoes, sun lotion and hats. If required, blankets and rain capes are available. For game drives, which are on open vehicles, please dress accordingly: mornings can be cool then warm up considerably; afternoons can be warm then cool down considerably. Please see average temperatures as a guide.

**CHILDREN:** Please be sensitive to the adult atmosphere of the train by keeping your children respectful and quiet. Long journeys are not recommended for under 13s. There are no child-minding facilities or activities for children on board. See Child Policy.

**MOBILE DEVICES AND INTERNET:** In maintaining the spirit of travel of a bygone era, there are no radios or television sets on board. The use of mobile phones, laptops and essentially anything that has the ability to disturb other passengers is confined to the privacy of your suites only. The reception is poor while the train is moving. It is advised to contact your service provider to ensure the correct settings for network services are activated. Internet is available at our lounge in Cape Town, Rovos Rail Station, Tau Game Lodge, Victoria Falls Hotel, Mokuti Lodge and most of the other Namibia Safari accommodation.

**SMOKING:** On board the train, smoking is allowed in the Club Lounge only. Please note on the **Reservation Form** provided if you are smoking or non-smoking so that the appropriate room might be requested at the hotels. Smoking is allowed in the privacy of your suite, but please be mindful that the train is generally made up of wood; please don't throw flammable items such as cigarette or cigar butts off the train as bush fires in Africa are a constant and dangerous hazard.

**LAUNDRY:** There is a limited laundry service on board comprising household washers, dryers and steam irons. The turnaround is 48 hours so we are not able to handle a week's worth of laundry. Please note that while we are providing a complimentary service we cannot be held responsible for items that may be damaged or lost in the process. There are no dry-cleaning facilities en route or on board the train.

**LUGGAGE:** Each suite has a luggage rack that runs its length providing ample space for storage. On selected annual journeys, guests are provided with a Rovos Rail tog bag that can be used for overnight trips or hand luggage on aircraft.

**AMENITIES:** Rovos Rail provides the following amenities: soap (25g), tissues, shampoo (60ml), conditioner (60ml), bath and shower gel (60ml), hand and body lotion (60ml), lip balm (4.8g), Sun Cream SPF30 (8ml), insect repellent gel (8ml), round cotton wool, ear buds, a shoe mit, nail file, small sewing kit and a shower cap.

**GIFT SHOP:** There is a small gift shop on the train and at Rovos Rail Station. Due to the varying exchange rates, credit cards are preferred. The host/ess on duty has a basic First Aid Kit and personal essentials (toothbrushes, razors, earplugs etc.). He/she will also fulfil any administrative requirements and check your onward arrangements. Stamps are available for sale and postcards may be posted in the post box at the entrance to the Observation Car or at Rovos Rail Station.

**SPECIAL OCCASIONS** Please note on the **Reservation Form** if you are celebrating a special occasion as we'd like to share it with you.

**BOOKS, MAGAZINES AND GAMES** There are board games, playing cards, a card table (dependent), books and magazines available for your use in the Lounge and Observation Cars. In your suite is a *Journeys* magazine featuring articles of interest related to your route.

**ELECTRICAL CURRENT AND ADAPTORS** 220V AC 50Hz 3-point round-pronged wall plugs, 110V/220V 2-pin plugs for shavers. International adaptors available.

**SAFES:** An electronic safe is provided in the cupboard in each suite.

**TELEPHONE:** There is an internal telephone system on board. Numbers are listed on the provided Guest/Rooming List.

**TEMPERATURE AND AIR-CONDITIONING:** All public cars are fitted with gas-filled air-conditioning systems. Each suite has an individual air-conditioner with temperature controls that can also be set to heat mode. Fresh-air intake is solved by opening a window. Windows should be closed while operating the air-conditioning unit. Electric under-blankets are fitted on the bed. See guide...
