HEALTH:

- Please ensure you have filled out the Reservation Form to indicate if you have any medical conditions, physical disabilities or allergies. There is a basic First Aid Kit on board. We have a doctor on board on the Dar es Salaam trip.
- **Anti-malarial precautions are recommended.** Malaria areas: Swaziland, Kruger Park, Northern Botswana, Zimbabwe, Zambia, Etosha, Tanzania. Recommended immunisations (not required): Hepatitis A, Polio, Tetanus, Cholera (low risk).
- A-yellow Fever/ Medical Exemption Certificate is essential if travelling to/from Tanzania. Although all countries travelled through don’t require this, countries guests return to after the trip often require them.

- Please consult your clinic or doctor. TRAVEL DOCTOR AFRICA local 0861 300 911 or international +27 11 214 9030.

CURRENCY:

- **South Africa –** Rand only. We accept all major credit cards on the train.
- **Outside of South Africa –** Any off-train expenses or additional excursions booked while on the train are to be paid with US Dollars. Hotels and major dealers accept credit cards.
- **US Dollars printed before year 2006 won’t be accepted.** Low denominations recommended for shopping/gratuities. Larger denominations recommended for exchanging money to local currency (especially in Tanzania) as you get a better rate. The Gift Shop on board might exchange money if currency is available, but it is not normally catered for.
GRATUITIES: Gratuities for the staff are at your discretion. If you wish to show your appreciation in this manner, there is a suitably marked envelope in your suite that you can hand directly to the Train Manager who will distribute any amounts on a pro-rata basis (share) among the staff on board. An amount between ZAR100-200 (± US$10-20) per person per night is suggested, depending on the length of your journey.

LOCOMOTION: Use of steam has become increasingly difficult over the years as more and more water and coal facilities have been scrapped. Diesel or electric locomotives are used while steam is used in and around the area of Rovos Rail Station only.

THE TRACK: The track over which we travel is inconsistently maintained. If you wake at night imagining the train is travelling at high speed, be assured it is the state of the track below creating that impression. We restrict the train to 60km/h (37mph) and over bad sections reduce speed to as little as 20km/h (12mph). If you find it noisy, earplugs are available.

CUISINE: Meals are served in one sitting only in the charming Victorian atmosphere of the dining cars and are complemented by a selection of fine South African wines. Breakfast: 07h00-10h00 • Lunch: 13h00 • Tea: 16h30 • Formal Dinner: 19h30. All meals are served at these times unless otherwise stated in the timetable. A gong heralds lunch and dinner.

DIETARY REQUIREMENTS: We will do our best to cater for dietary requirements provided a detailed request has been made on the Reservation Form. If a special request has not been made, the chefs will endeavour to prepare suitable meals with the ingredients available on board. We regret we are unable to prepare meals requiring strict religious observance in the preparation.

PREPARATION PRIOR TO JOURNEY:

DIET:

- For days on the train dress is smart casual. Evening attire is more formal – for gentlemen a jacket and tie is a minimum requirement while for ladies we suggest cocktail/evening dresses or suits. For off-train excursions we strongly recommend comfortable walking shoes, sun lotion and hats. If required, blankets and rain capes are available. For game drives, which are on open vehicles, please dress accordingly; mornings can be cool then warm up considerably; afternoons can be warm then cool down considerably. Please see average temperatures as a guide.

- Please be sensitive to the adult atmosphere of the train by keeping your children respectful and quiet. Long journeys are not recommended for under 13s. There are no child-minding facilities or activities for children on board. See Child Policy.

- There is a limited laundry service on board comprising household washers, dryers and steam irons. The turnaround is 48 hours so we are not able to handle a week’s worth of laundry. Please note that while we are providing a complimentary service we cannot be held responsible for items that may be damaged or lost in the process. There are no dry-cleaning facilities en route or on board the train.

AMENITIES: Rovos Rail provides the following amenities: soap (25g), tissues, shampoo (60ml), conditioner (60ml), bath and shower gel (60ml), hand and body lotion (60ml), lip balm (4.8g), Sun Cream SPF30 (8ml), insect repellent gel (8ml), round cotton wool, ear buds, a shoe mit, nail file, small sewing kit and a shower cap.

If a special request has not been made, the chefs will endeavour to prepare suitable meals with the ingredients available on board. We regret we are unable to prepare meals requiring strict religious observance in the preparation.

Books, Magazines and Games: There are board games, playing cards, a card table (dependent), books and magazines available for your use in the Lounge and Observation Cars. In your suite is a magazine featuring articles of interest related to your route.

SAFES: An electronic safe is provided in the cupboard in each suite.

TEMPERATURE AND AIR-CONDITIONING:

TEMPERATURE: Please see average temperatures as a guide.
