SCHEDULING TIMES, ROUTES & EXCURSIONS: We wish to bring to your attention that Rovos Rail is solely reliant on the traction and railway services provided by the countries through which we travel. Our hands are regrettably tied when these services fail, be they due to locomotives, signals, overhead power-cable damage and/or theft, vandalism, electricity outages, railway tracks or issues with drivers etc. Delays can occur due to our reliance on these national organisations. Rovos Rail is not responsible and cannot be held liable for any delays or changes in tour arrangements that may be caused by natural or other factors beyond our control. Rovos Rail reserves the right to cancel or amend our routing, any excursion bookings and the tour departure dates provided we can offer clients alternative excursions or departure dates. We cannot be held liable for any delays or changes in tour arrangements that may be caused by natural or other factors beyond our control. Rovos Rail reserves the right to cancel or amend our routing, any excursions and the tour departure dates provided we can offer clients alternative excursions or departure dates. Rovos Rail cannot guarantee excursions or departure arrival times. Our obligation to transport guests from departure to arrival points on schedule will override any commitment to excursions although we will endeavour to carry out all of the off-train experiences. We strongly caution against same-day air travel on departure/arrival days due to possible delays with flights or the train. Should you be delayed, kindly contact +27 (0) 12 315 8242.

JOURNEYS & PRIVATE HIRE: We offer a variety of journeys from 48 hours to 15 days that cover the sub-continent of Africa. The trains run year-round although some of our short journeys do not run during our winter months. The scheduled journeys are available for full charter. You can also combine our 42- or 72-bed train with other entertaining products for bespoke charters including incentive groups, historical expeditions, cycling tours and private gatherings. The Events Train, suitable for day trips only, caters for up to 250 guests and is the perfect venue for weddings, incentives, conferences and product launches. See rovos.com.

ROVOS RAIL STATION TOUR & MUSEUM: A highlight for guests is a visit to the private station headquarters in Capital Park, Pretoria, where over 400 employees work assiduously to ensure the locomotives and trains are maintained to the highest standard. This is the busy hub of a provisioning operation that is world-class in terms of efficiency and attention to detail. The tour will show you the nuts and bolts of the company. We also have a museum showing a historical collection of train paraphernalia.

Long journeys are not recommended for under 13s. Children between 0-2 years old are not permitted to travel. There are no child-minding facilities or activities available for children on board. See Child Policy on rovos.com.

- US Dollars printed before year 2013 or that look worn will not be accepted. Low denominations recommended for shopping/gratuities.

Larger denominations recommended for exchanging money to local currency (especially in Tanzania) as you get a better rate.

DIETARY REQUIREMENTS: We will do our best to cater for dietary requirements provided a detailed request has been made at that time of your reservation. If a special request has not been made, the chefs will endeavour to prepare suitable meals with the ingredients available on board. We regret we are unable to prepare meals requiring strict religious observance in the preparation.

DINING: Meals on board are served in one sitting only in the dining cars and are complemented by a selection of fine South African wines. Breakfast: 07:00-10:00 • Lunch: 13:00 • Tea: 16:30 • Formal Dinner: 19:30. Bar service is from 07:00-±01:00. All meals are served at these times unless otherwise stated in the timetable. DRESS:
- Days on board are smart casual: Neat, conventional yet relatively informal in style combining casual and formal clothing pieces.
- Evening attire is more formal: For gentlemen a jacket and tie is a minimum requirement while for ladies we suggest cocktail/evening dresses or suits. On long journeys we enjoy themed evenings where guests can dress up accordingly or opt for smart casual:
  • Golf Safari, African Collage, Dar es Salaam and Lobito Journeys: 1 x “AFRICA” evening and 1 x “1920s” evening. See itineraries.
  • Namibia Safari: 1 x “AFRICA” evening. See itineraries.
- Off-train excursions: We recommend comfortable walking shoes, sun lotion and hats. If required, blankets and rain capes are available.
- Game drives are on open vehicles so please dress accordingly: mornings can be cool then warm up considerably; afternoons can be warm then cool down considerably. Please see average temperatures as a guide.

GIFT SHOP/ADMINISTRATION: There is a small gift shop on the train and at Rovos Rail Station in Pretoria. Due to the varying exchange rates, credit cards are preferred. The Administration Deputy on duty has a basic First Aid Kit and personal essentials (toothbrushes, razors, earplugs etc.). He/she will also fulfill any administrative requirements and check your onward arrangements.

GRATUITIES: Gratuities for the staff are at your discretion. If you wish to show your appreciation in this manner, there will be a suitably marked envelope in your suite that you can hand directly to the Train Manager who will distribute any amounts on a pro-rata basis (share) among the staff on board. An amount between ZAR100-300 (± US$10-20) per person per night is suggested, depending on the length of your journey. At the game lodges, it is customary to tip guides and lodge staff an estimated ZAR150 (± US$10) per guest per day.

LAUNDRY: There is a LIMITED laundry service (10 items/day) on board comprising household washers, dryers and steam irons. The turnaround is 48 hours so we are unable to handle a week’s worth of laundry. There are no dry-cleaning facilities en route or on board. Please note that while this a complimentary service we cannot be held responsible for items that may be damaged or lost in the process.

LOCOMOTION: Use of steam has become increasingly difficult over the years as more and more water and coal facilities have been scrapped. Diesel or electric locomotives are used while steam is used in and around the area of Rovos Rail Station in Pretoria only.

LUGGAGE: It is possible to store luggage in your suite under the bed or above the door on a luggage rack, which provides ample space for storage. There are no luggage restrictions on board although we do not recommend more than two large suitcases. THE TRACK: The track over which we travel is inconsistently maintained. If you wake at night imagining the train is travelling at high speed, be assured it is the state of the track below creating that impression. We restrict the train to 60km/h (37mph) and over bad sections reduce speed to as little as 20km/h (12mph). If you find it noisy, earplugs are available in your amenities bag and at the Gift Shop.

WATER: The water used on the train is carried in tanks under each coach. These tanks are filled every day but they cannot be topped up while the train is travelling. Please assist us by using water responsibly. Water inside the suites has been filtered and chlorinated; it is safe for bathing and brushing teeth only. Please use the bottled water provided for drinking.
